Title 5
INSPECTOR TRAINING AND CERTIFICATION

Under the Title 5 Regulations the inspection of subsurface sewage disposal systems will be considered valid only when performed by certain professionals. Massachusetts Registered Sanitary, Civil, or Environmental Professional Engineers, Massachusetts Registered Sanitarians, and Certified Health Officers are qualified to perform these inspections without examination.

Certain other individuals are eligible to become qualified after training and examination under Section 15.340: Board of Health Members or Agents, MA Licensed Home Inspectors, Certified Engineers in Training (EITs), Associate Home Inspectors, Licensed Septage Haulers or System Installers or other individuals with a minimum of one year experience in septic system inspections or design and associate home inspectors.
