

22nd National TANKS CONFERENCE & EXPO

June 2010

Dear Colleague,

On behalf of the conference sponsors, it is our pleasure to invite you to join us in Boston, MA, for the 22nd National Tanks Conference and Exposition. The conference will be held September 20-22, 2010, in the Westin Boston Waterfront. We hope you can attend this important event in Massachusetts' vibrant and historic state capital.

The 2010 agenda features sessions covering an exceptionally wide range of underground storage tank topics – including operator training, remediation technologies, and vital financial issues. In addition to the invariably valuable educational sessions, ample opportunities for informal networking will be provided, allowing you to share knowledge and experiences with fellow attendees. The Tanks Exposition will once again feature informative booths from states, tribes, and federal agencies, as well as displays from vendors showcasing the latest tanks-related products and services.

The opportunity to take part in all that this event has to offer is not to be missed. As the National Tanks Conference is no longer an annual event, having transitioned to an 18 month cycle, your participation in Boston is all the more vital.

We encourage you to register for the conference as soon as possible, and to contemplate all your options as you do so. Among these options are the excellent workshops to be held on Sunday, September 19, 2010. These will take place before the conference officially begins, but we are confident the knowledge gained will more than justify the early arrival.

To learn more and register for the conference, please visit the conference website - www.neiwpc.org/tanksconference. Registration can be completed online or by downloading the registration form and sending it to NEIWPC. Also on the website, you will be able to access the following materials to help you plan and prepare for the event:

- Conference Agenda
- Conference Registration Form
- 22nd National Tanks Conference and Exposition Rates & Dates
- Lodging and Transportation Information
- Information on NEIWPC travel reimbursement including the Travel Request Form

- Meeting Space Request Form
- Information on Sunday Workshops
- Information on the Tanks Exposition

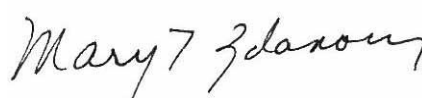

The conference website will be updated regularly with the latest information, so please visit it often. Additionally, if you wish to be included in the National Tanks Conference email list to receive periodic updates and reminders about the conference, please send your email address to NTCInfo@neiwppcc.org. For answers to specific questions about the conference, please contact us at NTCInfo@neiwppcc.org.

We look forward to seeing you in Boston in September!

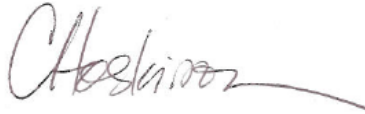

Sincerely,
